

Remember Me

Don't remember me with sadness. Don't remember me with tears. Remember all the laughter we've shared throughout the years. Now, I am contented that my life was worthwhile.

Knowing that I passed along the way I made somebody smile when you are walking down the street, and you've got me on your mind.

I'm walking in your footsteps only half a step behind.

So, please don't be unhappy just because I'm out of sight.

Remember that I'm with you each morning, noon, and night.
