### **“When I Must Leave You”- Helen Steiler Rice**

When I must leave you for a little while Please do not grieve  
and shed wild tears and hug your sorrow to you through the years

Start out bravely with a gallant smile and for my sake  
and in my name, live on and do all things the same

Feed not your loneliness on empty days, but fill each waking hour  
in useful ways

Reach out your hand in comfort and cheer,  
and I in turn will comfort you and hold you near

Never, never be afraid to die

For I am waiting for you in the sky
