

Remember Me

*Speak of me as you have always done
Remember the good times, laughter, and fun*

*Share the happy memories we've made
Do not let them wither and fade*

*I'll be with you in the summers sun
And when the winters chill has come*

*I'll be the voice that whispers in the breeze
I'm peaceful now, put your mind at ease*

*I've rested my eyes and gone to sleep
But memories we've shared are yours to keep*

*Sometimes your final days may be a test
But remember me when I was at my best*

*Although things may not be the same
Don't be afraid to use my name*

*Let your sorrow last for just a while
Comfort each other and try to smile*

*I've lived a life filled with joy and fun
Live on now, make me proud of what you'll
become.*
