

Life Lessons

There's beauty in struggle

There's feeling in pain

For every pain stalking mistake

There are lessons you can name

No one is excluded from life's many trials

Not even an innocent child

It's true, most lessons do hurt

Some more than others, some short and temporary

Some smothering with suffering,

some beautiful with love

Like a baby and mother some are a constant battle

Battle like sister and brother

There are lessons we must learn about

How to love one another.
