

If tomorrow starts without me,
and I'm not there to see,
If the sun should rise and find your eyes,
all will be filled with tears for me.

Tomorrow will start without me, please try and understand, that
an angel came and called my name, and took me by the hand,
and said my place was ready in heaven far above, and that I'd
have to leave behind, all those I dearly love. But as I turned to
walk away, a tear fell from my eye. For all my life, I'd always
thought, I didn't want to die. I thought of all the yesterdays, the
good ones and the bad. I thought of all that we shared and all
the fun we had. If I could relive yesterday, just even for awhile,
I'd say good-bye and hug you, and maybe see you smile. But
when I walked through heaven's gates, I felt so much at home,
When God looked down and smiled at me, from his great
golden throne. God then said, "This is eternity, and all that I've
promised you". Today your life on earth is past, but here life
starts anew, I promise no tomorrow, but today will always last,
and since each day is the same, there's no longing for the past.

So when tomorrow starts without me, Don't think were far
apart, for every time you think of me,
I'm right there in your heart.
