

Baby Girl

I miss your beautiful smile, I yearn to hear your voice. I miss your morning call Lord knows I miss you for all. I miss your sweet face and those gorgeous beautiful eyes. I miss you now and ask why you had to go. If perhaps your list can't find your way my heart is wide open for you to stay. If your wondering oh where you should go my heart is saying oh no no no. The love I have for you is undescrivable and will never die. I was robbed of my chance down here to say goodbye but in my heart our love will never die. So I say see you later my princess and don't you wander far. Fly high and watch over me until my time departs.
