

*Although your heart may be broken,  
There is no need to weep for me.  
I'm in a wonderful place now,  
Where I'm happy and so carefree.*

*I suddenly had to go, but I've left behind  
Good memories to comfort you.  
Concentrate on the best times we had,  
And try not to feel so blue.*

*For one day we'll be together again,  
To laugh, ride, and play.  
You'll be so glad to see me again,  
It will seem I was gone just one day.*

*So try to lift up your heads now,  
And dare to set grief aside,  
Because I'll be waiting here for you,  
To welcome you to the other side.*
