

# *I Am Always With You*

When I am gone, release me, let me go.

I have so many things to see and do,

You mustn't tie yourself to me

with too many tears,

But be thankful we had so many good years.

I gave you my love, and you can only guess

How much you've given me in happiness.

I thank you for the love that you have shown,

But now it is time I traveled on alone.

So grieve for me a while, if grieve you must

Then let your grief be comforted by trust

That it is only for a while that we must part,

So treasure the memories within your heart.

I won't be far away for life goes on.

And if you need me, call and I will come.

Though you can't see or touch me,

I will be near

And if you listen with your heart, you'll hear

All my love around you soft and clear

And then, when you come this way alone,

I'll greet you with a smile and a "Welcome Home".

# Precious Memories

When I come to the end of the road  
And the sun has set for me  
I want no rites in a gloom-filled room  
Why cry for a soul set free?

Miss me a little-but not too long  
And not with your head bowed low  
Remember the love that we once shared  
Miss me-but let me go

For this is a journey that we all must take  
And each must go alone.  
It's all part of the Master's plan  
A step on the road to home

When you are lonely and sick of heart  
Go to the friends we know  
And bury your sorrows in doing good deeds  
Miss me but let me go.
