

*Miss Me,  
But Let Me Go*

When I come to the end of the road

And the sun has set for me

I want no rites in a gloom-filled room

Why cry for a soul set free?

Miss me a little-but not too long

And not with your head bowed low

Remember the love that we once shared

Miss me-but let me go

For this is a journey that we all must take

And each must go alone.

It's all part of the Master's plan

A step on the road to home

When you are lonely and sick of heart

Go to the friends we know

And bury your sorrows in doing good deeds

Miss me but let me go.
