*We're Grateful*

She will always be Big Momma. We are so grateful to know that her fight and battle has already been won. There wasn't anything she wouldn't do. When we brought other kids home from far away. She took them in and love them too. Big Momma didn't care at all what it took, she did it. The most of all, she said to God and family "This is what I do." She showed us how to love and care. Big Momma we will meet you there.

Love you,  
The Rolle Family
