

Mother

For as long as I can remember

You were always by my side,

To give me support, confidence and help.

For as long as I can remember

You were always the person I looked up to

So strong, so sensitive, so pretty.

For as long as I can remember

You always provided stability within our
family

Full of laughter, full of tears, full of love.

For as long as I can remember

And still today,

You are everything a mother should be.

Whatever I have become is because of you

And I thank you forever for our relationship

Love Always,

Tonya
