

In Memory of a Special Daughter

The day you left me and gained your wings

My heart broke in two

I wish you could have stayed with me

But heaven needed you

You left me with memories

And I love you dearly still

No matter how much time goes by

You know I always will

You were a very special person

With kindness in your heart

And the love we had together

Grows stronger now that we are apart

I know I cannot bring you back

Although I wish it everyday

But a piece of me went with you

The day you went away

I love you forever,

Bonus Mom

*To my Daughter, I love you so, You are so special, I hope you know
With everyday, that passes by, You're more the twinkle, in my eye*
