

Brotherhood

Side by side we ride across this
land

Brothers by choice more than
the shake of a hand

Damned for the patch you fly

Wanting to be free and high

Like the desperados of old

Riding free and being bold

From long hair and leather to
the iron on your side

From horses to steeds of steel

The wind is what you long to
feel

Brothers in arms protecting
each other from harm

Brothers not of kin but brother
in the wind
