

Daddy I Will Miss You

Daddy you will forever be in my heart and always on my mind.

Daddy I will always miss your smile and you praising God in your room.

Daddy I will miss you taking your walks to the store here on Earth but now your taking your walks on streets that are paved with gold in Heaven.

Daddy I will miss coming home to look in your room and telling you "Hey Daddy! I'm home!"

Daddy I will miss you sitting in the back of the van riding to church on Sunday's.

Daddy I will miss watching you sit on the porch just looking up to the sky.

Daddy I will just miss you being here with me.

One day we will be together again all in God's timing.

Heaven gained another angel the day you left.

I am apart of you left here on this Earth.

Eternity promises you much needed rest.

Rest now, Daddy, I'll be okay because I carry you with me every single day.
