

Remembering You

I knew that eventually, this day would come. The day you would be reunited with all of our loved ones who had gone before you, tell everyone Hi for us, and let them know we miss them. I miss your hugs, kisses, our talks, laughs, the advice you gave me, the lessons you have taught me as well as mama, Auntie Veronica, and Auntie Jean, and yall's unconditional love. I pray to God that I can be at least half of the woman that you, mom, Auntie Veronica, and Auntie Jean ARE. I can proudly say that I had four strong, intelligent, hardworking, loving, and caring women to build the foundation of my evolving character. I hope you know how thankful and blessed I am because I had each and every one of you to guide me through life. I will always remember your favorite scripture, "I can do all things through Christ, which strengtheneth me." Philippians 4:13 KJV. Sleep in Peace, Mama. We will always carry you in our hearts.
