

## I'm Free

Don't grieve for me, for now I'm free  
I'm following the path God laid for me.  
I took his hand when I heard him call;  
I turned my back and left it all.  
I could not stay another day,  
To laugh, to love, to work and play.  
Tasks left undone must stay;  
I found that place at the close of day.  
If my parting has left a voice,  
Then fill it with remembered joy.  
A friendship shared a laugh, a kiss;  
Ah yes, these things, I too will miss.  
Be not burdened with times of sorrow  
I wish you the sunshine of tomorrow.  
My life's been full, I savoured much;  
Good friends, good time, a loved ones touch.  
Perhaps my time seems all to brief;  
Don't lengthen it now with undue grief.  
Lift up your heart and share with me,  
God wanted me now,  
He set me free.
