

## ***Your Spirit***

*I know that no matter what  
You will always be with me.*

*When life separates us  
I'll know it is only your soul  
Saying goodbye to your body*

*But your spirit will be with me always.  
When I see a bird chirping on a nearby branch  
I will know it is you singing to me.*

*When a butterfly brushes gently by me so care freely  
I will know it is you assuring me you are free from pain.  
When the gentle fragrance of a flower catches my attention*

*I will know it is you reminding me  
To appreciate the simple things in life.*

*When the sun shining through my window awakens me  
I will feel the warmth of your love.*

*When I hear the rain pitter patter against my window sill  
I will hear your words of wisdom*

*And will remember what you taught me so well'  
That without rain trees cannot grow  
Without rain flowers cannot bloom*

*Without life's challenges I cannot grow strong.  
When I look out to the sea*

*I will think of your endless love for your family.  
When I think of mountains, their majesty and  
magnificence*

*I will think of your courage for your country.  
No matter where I am*

*Your spirit will be beside me  
For I know that no matter what  
You will always be with me.*
