

## No More Pain

Sweetheart, I wish you could hear these words, thru his love letter.

I'm hurt you had to depart, but I know your days better.

I'm happy our love story finally came true. Good times and bad times, I stood beside you.

5 years we shared and I thank God above to give you what you deserve and that was real love.

One true fact, that I'll never take back  
To Marry you over again, I'll do just that.

I laughed with you and also cried with you,  
Felt all the hurt and pain you had to go thru.

Happy to cook you meals because I loved you,  
Wanted to hold you forever, when I hugged you.

Smiled thru the pain, even when you didn't want to.  
Definition of a strong woman, is what I saw in you.

Our love story ended, but it'll never change.  
You suffered in this life, now there's no more pain!
