

Missing You Always

*You never said I'm leaving
You never said goodbye,
You were gone before we knew it
And only God knew why.*

*A million times I needed you
A million times I cried
If love alone could have saved you
you never would have died.*

*In life I loved you dearly
In death I love you still
In my heart I hold a place
That only you can fill.*

*It broke my heart to lose you
But you didn't go alone
As part of me went with you
The day God took you home.*
