

I'M FREE

Don't grieve for me for now I'm free,
I'm following the path God laid for me.
I took His hand when I heard Him call:
I turned my back and left it all.

I could not stay another day
To laugh, to love, to work or play.
Tasks left undone must stay that way;
I found my place at the close of day.

If my parting has left a void
Then fill it with remembered joys.
A friendship shared, a laugh, a kiss,
Ah yes, these things I too shall miss.

Be not burdened with times of sorrow:
I wish you the sunshine of tomorrow.
My life's been full, I savored much;
Good friends, good times, a loved ones touch.

Perhaps my life seemed all too brief:
Don't lengthen it now with undue grief.
Lift up your heart and share with me;
God wanted me now, He set me free.

ACKNOWLEDGEMENTS

When it seemed that our loss was too great to bear, we looked up and our friends were there; with flowers and cards, words written and spoken, with smiling faces and hearts open. We sincerely appreciate the thoughtfulness of our family and friends for their many acts of kindness, remembering us in our hour of sorrow with many prayers, words, thoughts, deeds, and all expressions of sympathy. Keep us in your prayers as we will keep you in ours. God bless.
