

Our Dearest Elijah

No words can truly convey
How heavy our hearts are feeling today
You were the light of our lives
Your loving spirit and smile
Could always be counted on to brighten up a room
And even though you were here
For what seemed like a long time
For us, you are gone too soon
You brought us smiles and laughs
Using your hugs and your charm
Whenever you tried to persuade us
Into letting you have your way
And it usually worked, we must say
When it came time to step out
You were always immaculately dressed
With your dapper suits and sharp style
You never failed to impress while looking your best
The love you had for your family
Knew no bounds, and in our hearts
There's a special place where

Our Dearest Elijah

You'll always be found

We all know without a doubt

That Mattie was your ride or die

You were always by each other's side

On each other you could always rely

The strong loving bond you two shared

Will never be broken

The good times, the memories

And the extraordinary love does not go unnoticed or unspoken

Oh, how we are going to miss you, more than you will ever know

Oh Elijah, how we love, love, love you so

We know that God will comfort us all as only He can

And we will cherish our loving memories

Until we see you again

We Love You Eternally,

Your Family
