

## *Dad*

*Dad, We know you're gone to a much more pleasant and beautiful place and we know we will remember the smiles you had on your face.*

*We can honestly and truly say that we know "We have been blessed to have a Daddy and Granddaddy like you so pure, honest and true."*

*We have had a lot of good times throughout the years that is why today my eyes are filled with tears.*

*If it is so hard to say Goodbye to someone we absolutely loved and adored, although we know you're not in pain anymore.*

*So, today we will leave you this poem sealed with hugs and kisses to let you know that you'll always be loved and greatly missed.*
