

Poem

*We celebrate you today and forever more
Your joy , strength , and fierce love has held us
together through the years
Your devotion to God was admirable and your
fortitude inspiring
You stood strong
You fought long and hard
You never lost faith
You loved many and smiled through many storms
but now you will radiate like the sun
Shining in the sky like the light you are
Beaming in glory we celebrate you
Rejoice with the angels for your time has come
Now when we look to the heavens we will think of
you
Knowing you're dancing in the land of milk and
honey we smile
Our hearts are full
Rest on and sing songs of victory
For your battle is won .
