There's a Special Angel

There's a special Angel in Heaven
That is a part of me.
It is not where I wanted her
but where God wanted her to be.
She was here but just a moment
like a night time shooting star
And though she is in Heaven,
she isn't very far.
She touched the hearts of many
like only Angels can.
I would've held her every minute
If I'd only known God's plan.
So I send this special message
to the Heavens up above.
Please take care of my Angel
and send her all my love.
