## Please Don't Weep For Me

Please don't weep for me, For this is not goodbye,  
I'll see you again on the other side, My purpose here  
has been fulfilled, And my legacy will live on,  
So dry your tears,  
May you find strength in the precious memories, Of the  
last grace-filled forty-one years,  
And still visualize the smile I wore upon my face,  
May your hearts be comforted,  
As you remember the sound of my laughter, And may  
the thought of the love we shared,  
Wrap you tight in a warm embrace,  
And although you may think this is the end, It's actually  
a new beginning, And In time your hearts will heal, For  
my spirit will always be with you, And when you start to  
feel a little weary,  
Know that God's angels will surround and protect you,  
So please do not weep for me, I am in the best place a  
man can be, Held safely in my Father's hands!

## Acknowledgements

When it seemed that our loss was too great to  
bear, we looked up and our friends were there;  
with flowers and cards, words written and  
spoken, with smiling faces and hearts open. We  
sincerely appreciate the thoughtfulness of our  
family and friends for their many acts of  
kindness, remembering us in our hour of sorrow  
with many prayers, words, thoughts, deeds, and  
all expressions of sympathy. Keep us in your  
prayers as we will keep you in ours. God bless!
