Sister

To lose someone as dear as you
brought sorrow and much pain
and I'd give everything I have
to see your smile again.

For you were really wonderful
as special as could be
and I miss you so much because
you meant a lot to me.

But all the love I have for you
will never go away
and Sister dear, I do believe
we'll meet again some day.

Your Brothers and Sisters

Remember Me

Remember me with smiles not tears,
For all the joy through all the years.
Recall the closeness that was ours
A love as "sweet" as fragrant flowers
Don't dwell on thoughts that cause you pain
We'll see each other once again,
I am at peace...try to believe,
It was my time...I had to leave
But "what a view," I have from here
I see your face, I feel you near,
I follow you throughout the day,
You're not alone along the way,
And when God calls you...you will be,
Right by my side...right here with me,
Till then, I'll wait by the heaven's door
We'll be united...evermore!

A Loving Tribute

Although You Are Gone

Although you're gone, I'm not alone,
And never shall I be,
For the precious memories of the bond we shared
Will never depart from me.

Our love surpassed the ups and downs
And helped us along the way,
And that same love will give me strength
To manage this loss each day.

On my mind and in my heart,
Mom, you shall forever be,
For just as much as I am a part of you,
You are a part of me!

Your Children

If Only You Could of Stayed

Constantly thinking, never to be the same,
the tears fall quickly just hearing your name.

Silence is golden yet not anymore
silence brings thoughts we just can't ignore.

The nights are sleepless, dreams out of reach.
Crying in the pillow to you we beseech.
Surrounded by family, we still feel alone.
Our hearts are so empty, this pain we must own.

We wish we could hug you and just see your face.
But now we have memories to stand in your place.
Gone but not forgotten, that's what they say.
Of course that is true... but if only you could of stayed.
