When J Am Gone

When I am gone, release me – let me go I have so many things to see and do. You must not tie yourself to me with tears Be happy that we had so many years. I gave you

you can only guess, how much you gave me in happiness.

I thank you for the love each have shown, but now it is time I travelled alone. So grieve awhile for me if grieve you must, then let your grief be comforted by trust It is only for a while that we must part so bless those memories within your heart. I will not be far away, for life goes on. so if you need me, call and I will come. Though you cannot see or touch me, I will be near And if you listen with your heart, you will hear All of my love around you, soft and clear. Then when you must come this way alone, I will greet you with a smile and "Welcome Home"
