

Celebrate My Life

Remember me with love and joy, Let gratitude fill your heart.

Thankful for the time we had, Gone... Yet not apart.

If we measured life and moments, Not in months or years,

I lived a hundred lifetimes, Loved by all who hold me dear.

I hope you'll find your smile, And generously speak my

name. Share stories and my heart, Your love for life

unchanged. Celebrate the life I lived,

I will be watching from above.

I am always with you, Sending you my light and love.

Love your Sister,

Charlotte Newsome
