God's Garden

God looked around his garden
And found an empty place,
He then looked down upon the earth
And saw your tired face.
He put his arms around you
And lifted you to rest.
God's garden must be beautiful
He always takes the best.
He knew that you were suffering
He knew you were in pain.
He knew that you would never
Get well on earth again.
He saw the road was getting rough
And the hills were hard to climb.
So he closed your weary eyelids
And whispered, 'Peace bethine'.
It broke our hearts to lose you
But you didn't go alone,
For part of us went with you
The day God called you home.

Acknowledgements

When it seemed that our loss was too great to bear, we looked up and our friends were there; with flowers and cards, words written and spoken, with smiling faces and hearts open. We sincerely appreciate the thoughtfulness of our family and friends for their many acts of kindness, remembering us in our hour of sorrow with many prayers, words, thoughts, deeds, and all expressions of sympathy. Keep us in your prayers as we will keep you in ours. God bless.
