

## For Anyone Who Has Lost Someone

My stomach sinks, a sharp and aching pain,  
My mind feels clouded, I can't explain.  
Tears fall freely, as they often do,  
Crumpled like paper, my heart feels bruised through.

My world has shifted, forever rearranged,  
What once felt whole has now been changed.  
The loss I carry is vast, immense,  
An emptiness deep, a sorrow intense.

They're gone in a heartbeat, but love remains near,  
So hold those you cherish, laugh, dance, and draw near.  
From above I watch, my earthly time done,  
And see now, we both have lost someone.

This is for all who've known that pain,  
For love that's lost, yet still remains.

*We Love You*
