

Someone Is Missing

*Let this be a loving reminder
That someone is missing today.
Someone our hearts still hold onto,
As we travel along life's way.
Someone who made life special,
For all who gather here.
Someone who won't be forgotten,
But cherished from year to year.
And now as we all pause to remember,
Let us all fondly recall,
How dearly each of us loved him,
and oh how he loved us all.*
