

I'm Free

Don't grieve for me for now I'm free,
I'm following the path God laid for me.
I took His hand when I heard Him call:
 I turned my back and left it all.
 I could not stay another day
 To laugh, to love, to work or play.
Tasks left undone must stay that way;
I found my place at the close of day.
 If my parting has left a void
 Then fill it with remembered joys.
A friendship shared, a laugh, a kiss,
Ah yes, these things I too shall miss.
Be not burdened with times of sorrow:
I wish you the sunshine of tomorrow.
 My life's been full, I savoured much;
Good friends, good times, a loved ones touch.
 Perhaps my life seemed all too brief:
Don't lengthen it now with undue grief.
Lift up your heart and share with me;
God wanted me now, He set me free..
