Obituary

Our precious Kahloni Nyreah Ash passed away on April 23, 2026, leaving our hearts heavy yet filled with the love she brought into our lives.

Kahloni was born on February 12, 2026. In her short time here, she was a sweet and cheerful soul who brought immense joy to everyone around her. Her beautiful smiles and soft coos touched the hearts of all who met her.

Though her time on earth was brief, Kahloni filled every moment with love and light. While we may never understand why her time with us was so short, we are deeply grateful for every precious moment we were blessed to share with her.

She leaves to cherish her precious memory: her loving parents, Jadan Ash of Douglas, Georgia, and Makaylin Kelly of Nicholls, Georgia; her grandparents, Hilton Huff, Shambrica Huff, and Antonique Ash, all of Douglas, Georgia, and Deshawn Jackson, Ieisha Kelly, and Julia Ruffin, all of Nicholls, Georgia; her great-grandparents, Donie Starks, Cassandra Starks, Walter Coffee, and Harriett Coffee, all of Douglas, Georgia; her beloved aunts, Areyonna Ash, Latwayna Noble both of Douglas, Georgia, Chiquita Starks of Atlanta, Georgia, Dee Starks, and Amber Starks of Cincinnati, Ohio; along with a host of cousins, other relatives, and friends.
