

Gone Too Soon

To lose someone so special

Is really hard to bear

It hardly seems believable

That you're no longer there.

You left us far too early

Before your time, it seems

And now you'll never have the chance

To fulfil all those dreams.

However hard it is though

We'll take comfort in the thought

Of all the memories we have

And the happiness you brought.

You always lived life to the full

But ours won't be the same

Until the day when we can see

Your smiling face again.
